After battling the impossible, Zälie and Amari have finally succeeded in bringing magic back to the land of Oräsha. But the ritual was more powerful than they could've imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too.

Now, Zälie struggles to unite the maji in an Oräsha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Oräsha, Zälie must fight to secure Amari's right to the throne and protect the new maji from the monarchy's wrath.

With civil war looming on the horizon, Zälie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Oräsha tears itself apart.

Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi's New York Times bestselling debut Children of Blood and Bone, the first title in her Legacy of Oräsha trilogy.
