The Basics - Wikipedia The Basics were formed after Kris met Wally at the March 2002 "going away party" in Melbourne of now LA-based engineer/producer Chris "Tek" O'Ryan. The event was to see off the young aspiring producer, who was about to depart for Los Angeles, and together with a number of musician friends, the two jammed on some blues-rock standards. PHP: The Basics - Manual In the class context, it is possible to create a new object by new self and new parent. When assigning an already created instance of a class to a new variable, the new variable will access the same instance as the object that was assigned. This behaviour is the same when passing instances to a function.
